Application for Acceptance as Doctoral Candidate

Dear Dean

Hereby I request acceptance as a doctoral candidate at the Faculty of Engineering.

Beginning of the doctoral thesis:

Supervisor:

Topic of the doctoral thesis:

I am aware of the Faculty of Engineering's doctoral degree regulations in force.

I did not apply for a doctoral degree before (or else: see Article 6 Paragraph 2 of the doctoral degree regulations)

I attach the following documents to this application:

- Doctoral agreement of:
- CV
- Certificate: an authenticated copy of a masters course certificate from a German university, or
- An authenticated bachelor and master certificate with a transcript of records for an international degree
- Statement on previous convictions and current criminal investigations

In addition, I submitted an electronic version of these documents stored in a single pdf file to promotion@tf.uni-freiburg.de.

Date

Signature of Applicant

I hereby agree to supervise the thesis work of the doctoral candidate
