

# How often can I repeat an exam which I have failed?

- Number of attempts: You have two attempts to pass each exam.
- Exception: In two exams you have a third attempt to pass the exam. (Please note that this rule does not apply for lab courses, seminars or the project)
- Deadline: The first and the second attempts are always in the following term of the previous attempt.

## Example:

Winter term	Machine Learning	5,0 (failed)		<b>Automatic registration by the Examination Office</b>
Summer term	Machine Learning	5,0 (failed)		
Winter term	Machine Learning	<i>registration</i>		

## **Attention !!!**

- You are automatically registered for the exam in the following semester by the Examination Office.
- Before your third attempt (last attempt), you have the opportunity to attend the course again. If the lecture does not take place until a future semester, you can postpone the examination registration for your third attempt to the semester in which the lecture takes place. In this case, please contact the Examinations Office.
