

How often can I repeat an exam which I have failed?

- Number of attempts: You have two attempts to pass each exam.
- Exception: In two exams (written examination or oral exam) you have a third attempt to pass the exam.
- Deadline: The first and the second attempts are always in the following term of the previous attempt.

Example:

Winter term	Micro-electronics	5,0 (failed)		Automatic registration by the Examination Office
Summer term	Micro-electronics	5,0 (failed)		
Winter term	Micro-electronics	<i>registration</i>		

Attention !!!

- You are automatically registered for the exam in the following semester by the Examination Office.
- Before your third attempt (last attempt), you have the opportunity to attend the course again. If the lecture does not take place until a future semester, you can postpone the examination registration for your third attempt to the semester in which the lecture takes place. In this case, please contact the Examinations Office.
