

Student evaluation

This document must be completed by the evaluator of the student and is not valid without this person's signature.

.....
 Given name and surname of the student

.....
 Name of the course or module

.....
 Nature of the exam/paper

.....
 Grade awarded

.....
 ECTS grade

Please indicate the expected performance in the following list. (Please kindly adjust the scale accordingly. For example, if you expect top 1-percent students to achieve 80 from 100 points, 60 points would correspond to 75 % on the scale.)

In order to help the Faculty of Engineering at the University of Freiburg to convert the grade awarded into a grade compatible with our evaluation system, we would be thankful, if you would also award the student a German grade.

Percent of expected performance	German Grade	Please mark here
At least 95 %	1,0 (excellent)	
At least 90 %	1,3 (very good)	
At least 85 %	1,7 (good, above average)	
At least 80 %	2,0 (good, above average)	
At least 75 %	2,3 (good, above average)	
At least 70 %	2,7 (satisfactory, average)	
At least 65 %	3,0 (satisfactory, average)	
At least 60 %	3,3 (satisfactory, average)	
At least 55 %	3,7 (sufficient, below average)	
At least 50 %	4,0 (sufficient, below average)	
Less than 50 %	5,0 (failed)
