

Overview

The entire application procedure is completed online and all application documents are uploaded on the website starting from the application period for Summer Semester 2020. This document serves to guide you through the online application process.

Required Documents

- **Your undergraduate diploma (bachelor's or equivalent) – if already available**
- **Your undergraduate transcript of records showing all courses and credits taken and all grades/marks obtained as well as the final/current overall average grade**
- **Your English proficiency test score**
- **A curriculum vitae or résumé**
- **An APS certificate (only for applicants who have studied in China, Mongolia and Vietnam)**

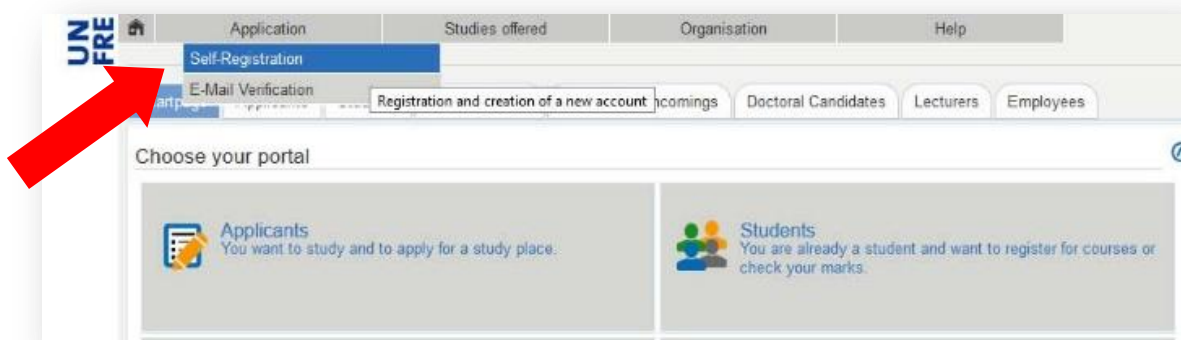

Make sure you have **jpg or pdf files** of these documents before starting with the online application. If you want to upload scanned documents, you'll have to scan them **in color**.

Register online

- Go to the Campus Management – HISinONE website of the University of Freiburg: <https://campus.uni-freiburg.de>
- Change the language preference of the website to English by scrolling down and clicking on the following tab at the bottom right hand corner of the page

- Select: Application > Self Registration

E-Mail verification

- After you registered successfully, you will receive an e-mail with a verification link. Please click on the verification link.
- After clicking on the verification link you will get to the start page of the application portal where you have to enter
 - the user name stated in the verification e-mail
 - the password you chose during the registration

E-Mail Verification

i Your verification was successful.
Please sign in with the username (not with your e-mail address) you received by e-mail and your password.

Your Applications 

 **Start Application**
You can apply for admission to several degree programs at the University of Freiburg.

Functions for students not usable with an applicant's account 

If you would like to use student functions, you must sign in with your **Uni-Account** (which you manage through [myAccount](#) ).

If you sign in with a potentially existing **applicant's account**, you cannot switch into the "Studieren" role and therefore cannot use student functions.

Please note: After setting up a new Uni-Account, it may take up to two days before you can sign into HISinOne with that account.

- Enable email notifications if you wish to receive notifications by email (Highly recommended).

Current state of university degree

Online application

1. Request: Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012 [Go to overview](#)

Current state of university degree (Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012 1. FS)

* Current state of university degree

* Please name the degree and subject(s) you study/studied

(Expected) date of completion

* Name of University / Higher Education Institution

* Country

1. **Grade**

* Final grade or current grade average according to the German grading system (0 = not applicable or grade not (yet) available)

Final Grade or current grade average in an international grading system if applicable

Please add the grading scale of your international grading system from the highest possible mark to the minimum pass mark

3. **Please upload the following documents here!**

Current or final Transcript of Records including a course list with the corresponding grades (The document must be in German, English or French. Otherwise, please upload additionally an officially certified translation into German or English below):

* Current or final Transcript of Records

1. No documents found.

1. Translation of current or final Transcript of Records including course list with corresponding grades – ONLY if the original Transcript of Records is not in German, English or French:

Translation of Transcript of Records, if required

1. No documents found.

1. Original diploma certificate if available (The document must be in German, English or French. Otherwise, please upload additionally an officially certified translation into German or English below)

Original diploma certificate, if available

1. No documents found.

1. Translation of current or final diploma certificate – ONLY if the original diploma certificate is not in German, English or French.

1. Here, the degree, study field and university name have to be entered once again, because this section only refers to your most recent or currently ongoing degree.
2. **Grade:** If you did not obtain your degree from a German university enter **0** in the field “* Final grade or current grade average according to the German grading system”. In the next field you can enter your grade in the grading systems used at your university. For the third field under *Grade*, please indicate your grading scale, i.e. the range of grades used at your previous university. The highest grade should come first and the lowest grade should come after (e.g. 4.0 – 1.0).
3. **Upload:** After that, please upload your current or final transcript of records and (if available) your diploma.

Variation A: Previous studies have been finished, diploma has been issued

- In this case you can just upload your transcript of records and your diploma.

Variation B: Previous studies have been finished, but the diploma has not been issued yet

- In this case you need to upload an additional document (e.g. letter from examinations office) from your university confirming the completion of study and your final grade (if not included in your transcript)

The screenshot shows the 'Online application' page for a Master of Science program. The page title is '1. Request: Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012'. Below the title, it states 'Previous study has been finished but the diploma hasn't been issued yet – further documents (upload): (Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012 1. FS)'. A yellow information icon indicates that if a diploma is not obtained, specific documents must be uploaded. The first document is 'Confirmation from the university confirming the completion of the study programme and the final grade (if not stated in the transcript of records)'. A search box labeled 'Durchsuchen...' is present, with the text 'Keine Datei ausgewählt.' below it. A second yellow information icon states 'No documents found.' At the bottom, there are 'Back' and 'Next' buttons.

Variation C: Previous studies have not been finished yet

- If you selected *I have not finished my previous studies* you will be led to this page:

The screenshot shows the 'Online application' page for a Master of Science program. The page title is '1. Request: Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012'. Below the title, it states 'Previous studies have not been finished yet – further documents: (Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012 1. FS)'. A yellow information icon indicates that if previous studies are not completed, documents should be uploaded only if not stated in the transcript. The first document is 'Confirmation from the university about the total number of credits obtained so far (if not stated in the transcript of records)'. A search box labeled 'Durchsuchen...' is present, with the text 'Keine Datei ausgewählt.' below it. A second yellow information icon states 'No documents found.' The second document is 'Confirmation from the university about the grading of the final thesis (if applicable and if not stated in the transcript of records)'. A search box labeled 'Durchsuchen...' is present, with the text 'Keine Datei ausgewählt.' below it. A third yellow information icon states 'No documents found.' The third document is 'Confirmation from the university about submission, declaration or registration of the final thesis (if applicable and if not stated in the transcript of records)'. A search box labeled 'Durchsuchen...' is present, with the text 'Keine Datei ausgewählt.' below it. A fourth yellow information icon states 'No documents found.' At the bottom, there are 'Back' and 'Next' buttons.

- In this case you have to upload a confirmation from your university (letter from the examinations office or registry) of the following information, ONLY if not stated on your transcript of records

- Confirmation about the total number of credits obtained so far
- Confirmation about the grading of the final thesis
- Confirmation about the submission, declaration or registration of the final thesis

If your university does not provide this kind of information it is also sufficient to upload (to one of these fields) a confirmation letter from the university stating your expected date of completion.

APS

- If you have a Chinese, Mongolian or Vietnamese degree, you need to upload your APS certificate.

English language proficiency

- The required English proficiency level for this program is C1. If your English proficiency level should be lower than C1, you will need a C1 level in German.
- If you are a native English speaker, please select *native speaker* in the first two fields and upload a copy of your passport.

Click [here](#) to check which CEFR level your test result corresponds to.

The screenshot shows a web application interface for an online application. The navigation bar includes 'My Studies', 'Studies offered' (selected), 'Organisation', 'User information', 'Help', and 'Bookmarks'. The breadcrumb trail reads 'You are here: Home > Studies offered > Online application'. The main heading is 'Online application'. Below it, the application details are: '1. Request: Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012' with a 'Go to overview' link. The section title is 'English Language skills (with upload) (Master of Science, Embedded Systems Engineering, Hauptfach, PO 2012 1. FS)'. There are three input fields: a dropdown for 'Level of proficiency according to the Common European Reference Frame (CEFR)', a list box for 'Certified proof of language proficiency (multiple choice is possible)' with options: TOEFL (internet-based), TOEFL (computer-based), TOEFL (paper-based), IELTS, and OOPT; and a text field for 'Other (if not listed above)'. Below these is a 'Test result' field. A yellow information icon indicates 'Please upload the following documents here:'. A file selection field for '* Language certificate' shows 'Durchsuchen...' and 'Keine Datei ausgewählt.'. A final yellow information icon states 'No documents found.'. At the bottom are 'Back' and 'Next' buttons.

German language proficiency

German proficiency is only required if your English proficiency is lower than C1.

- If you don't have any German proficiency or don't know your CEFR level, just select *none* (in both fields!) and click *next*.
- If your English proficiency should be lower than C1, you will need to enter your German proficiency level here and upload a German language certificate.

i According to the Common European Framework of Reference for Languages [↗](#)

Submitted applications Help

Application Application status: submitted

Master of Science, Embedded Systems Engineering, Major, PO 2012, 1. subject related semester With special prerequisites for admission | Status: submitted

 Print application  Show details  Cancel and edit request  Cancel application

 You have submitted your application to the University of Freiburg

- Save or print the data control sheet for your own reference.
- When you cancel and edit your application and then re-submit it, please save / print the new data control sheet.
- You are not required to send in any paper documents to the university (Exception: If you are applying for M.A.Social Science please adhere to the requirements listed in the column on the right hand side of this page). If you are admitted for a course of study you must provide **originals or officially certified copies** of all applicable application documents for matriculation at the University of Freiburg.
- When the status of your application has changed, you will receive an automatic e-mail message informing you about that. The next time you login to the application portal, you will see what has changed and if any action is required from your side.
- Letters of acceptance and rejection for the undergraduate programs are sent out by the university in August for applications for the winter semester and in February for applications for the summer semester (this does not necessarily apply in the case of master's programs). For postgraduate programs the letters of acceptance will be sent out approx. 4-6 weeks after the application deadline.

 Important for international applicants for Bachelor or State Examination degree programs (this doesn't apply to Master degree programs)

- You may only submit one application including one or more fields of study with restrictive admissions.
- If you have already submitted an application including one or more fields of study with restrictive admissions, you may begin another application including one or more fields with restrictive admissions but cannot submit it. This is why the 'Submit application' button is inactive on this page as well as on the 'Further details' page.

Further admission procedure

You do not have to send any documents by post or e-mail.

Once the coordinator has reviewed your online application, she will confirm whether it is complete.

The admissions committee usually meets 4-5 weeks after the application deadline. You will be informed about the result of your application by e-mail at latest a week after the meeting of the admissions committee.

If you should have any questions or doubts, please feel free to contact studienkoordination@tf.uni-freiburg.de.
